Young gentlemen desirous of pursuing select portions of the course will be admitted to the recitations and other exercises of regular classes, and will be entitled to certificate of the term of membership and of the studies pursued by them. This provision extends the benefits of university instruction to the teachers of the public schools of the State, and those who intend the practice of Agriculture and the Arts.

TERMS OF ADMISSION.

Candidates for admission to the Freshman class must pass a satisfactory examination in all the studies of the preparatory school or their equivalents.

Candidates for an advanced standing are also examined in all the studies to which the class they propose to enter have attended.

All applicants must present testimonials of good moral character; and students coming from other colleges a certificate of honorable dismissal.

RECITATIONS, &c.,

Each class of the collegiate department attends three recitations or lectures daily. There are also daily exercises in declamation and composition. Public examinations and exhibitions are held at the close of each term.

LIBRARY APPARATUS, &c.,

The Library, which is open to all the students of the university, comprises over one thousand volumes, and will receive yearly additions by the purchase of the most valuable standard works.

The university is possessed of a valuable cabinet of minerals, comprising numerous specimens. Contributions of an interesting character continue to be made by the State Geologist, and from other sources.
The charges for the term of thirteen weeks will be:

For tuition, $5,00
For room, heat, Janitors services, &c., 3,00

These comprise all the college charges, and are payable in advance. It is provided in the By Laws, that no student shall be admitted by the Chancellor, to residence in the buildings or to the exercises of any term, till he present a certificate from the Treasurer that the charges for the term have been adjusted.

The Board of Regents, at their recent meeting, filled the chair of Chemistry and Natural History; and will probably proceed to the election of a professor of Mental Philosophy, Logic, Rhetoric, and English Literature, before the opening of the next collegiate year.

Through these chairs, provision will be made for agricultural and normal instruction.

The second dormitory building will soon be in process of erection; and the library, cabinet, apparatus and other means of instruction, will, from this time forward be rapidly enlarged.

It is the fixed intention of the university authorities, that all the means at their command shall be so administered as to aid the diligent and successful student, and to secure to the institution a just public confidence and support.
