COURSE DESCRIPTION:

The purpose of this course is to examine the political, social, and economic developments in American history from the colonial period through the Civil War. Among the special themes and topics to be considered are American Party and sectional politics, race and race relations, the frontier experience, religion, gender, and consensus and conflict in American society. The readings and lectures are designed to provide a range of interpretations for the events and developments in American society during this period.

REQUIREMENTS:

Attendance in both lectures and discussion sections is required. Discussion sections are considered an important part of this course and preparation and participation are weighted heavily in the grading.

There will be an in class mid-term during the seventh week of the semester, and a take home exam is due on Friday of the twelfth week. The final exam is as scheduled in the time table.

All undergraduates must register for four credits.

REQUIRED READINGS:

Norton, Katzman, et. al., A People and a Nation

Edmund Morgan, The Puritan Dilemma
REQUIRED READINGS (cont'd)

Nancy Cott, Bonds of Womanhood
Margaret Walker, Jubilee
Course Reader, available at Kinko's

GRADING SYSTEM:

There will be 100 total possible points for each of the following: section, first mid-term, take home mid-term, and the final exam. In determining the final grades, each requirement will be weighted as follows:

Section Grade- 20 percent
First Mid-term-20 percent
