Lecture assignments:

The African Studies Center at the University of Wisconsin offers weekly lectures Wednesdays at noon and occasional films on Africa. Numerous other lectures are also offered through the year as scholars pass through the area. Some African subject video tapes are available for viewing on site in the Learning Support Services Lab, Room 274 Van Hise Hall. The room is open M-Th, 8:30 a.m.-8:30 p.m. and F 8:30 a.m.-3:30 p.m. There are also films shown on Africa on public t.v. from time to time. To encourage you to become acquainted with these offerings I am asking you to attend two during the semester, writing up a two-page report on each. All lecture discussions must be typed. Handwritten papers will not be accepted. As lectures and films come to my attention I will try to announce them in class, but keep your eyes open. I will not accept wildlife films on Africa to fulfill this assignment. With very few exceptions, feature films are not appropriate for this assignment. If you're unsure of the appropriateness of a lecture or film for this assignment, ask me before you write it up.

NOTE: You are not assured full credit on this assignment. Your papers must be neat, thoughtful, and grammatically correct. Your lecture sheet must be turned in no later than two weeks after the performance or lecture that you attended. In your two-page description you must indicate the date of the performance/lecture and make sure you have the correct title and lecturer's correctly spelled name.

Readings: Readings below are an integral part of the course. Starred readings are available on Reserve in the College Library (Helen C. White). They are not optional, but a required part of the course.
