

History | HSMT Doctoral Minor Form

Please submit the completed form to History Graduate Program staff.

Students who wish to pursue a minor in [History](#) or [History of Science, Medicine, and Technology \(HSMT\)](#) must consult with a History/HSMT faculty member to determine their course plan. The minor must consist of at least 9 credits of graduate-level work. Students are encouraged to take at least 6 credits of this work in graduate seminars, and no more than 3 credits in undergraduate courses. History or HistSci 990: Research and Thesis may not be used to fulfill the minor requirement. The minor field may include up to 3 credits of History or HistSci 999: Independent Work.

Student Information				
Student's name		Primary advisor(s)		
Major field/department				
Minor				
A. Minor title				
B. List the courses that comprise your doctoral minor in the table below.				
Dept. or Program	Course number	Course title	Credits	Semester/Year
